SUMMARY

Computer Science student focused on front-end development and logical problem solving. Experienced in building responsive React/Next.js applications with authentication, state management, and API integration. Curious and self-driven, with a track record of applying new skills to real-world projects.

TECHNICAL SKILLS

Languages & Web: JavaScript (ES6+), HTML5, CSS3

Frameworks & Libraries: React.js, Next.js, Redux Toolkit, Zustand, NextAuth.js

Tools & Other: Git, GitHub, REST/JSON API Integration, Team Collaboration & Adaptability

PROJECTS

Employee Directory

React.js, HTML5, CSS3, JavaScript

- Developed a responsive employee directory web application enabling users to browse and manage employee records.
- Implemented secure authentication with NextAuth.js and managed global application state using Zustand.
- Integrated REST/JSON APIs to fetch and display employee data, including search, filtering, and detailed profile views.

AI Resume Builder

Next.js, React.js, HTML5, CSS3, JavaScript

- Built an AI-powered resume builder with a responsive, user-friendly interface for creating professional resumes.
- Integrated the Google Gemini API to generate ATS-friendly resume content based on user input.
- Implemented resume preview, template selection, PDF download, and secure authentication with NextAuth.js.

E-Commerce Application

React.js, Redux Toolkit, JavaScript, HTML, CSS

- Developed a responsive shopping cart application with add-to-cart, remove item, quantity update, and clear cart features.
- Used Redux Toolkit for efficient, centralized state management across the application.
- Built reusable React components and a real-time cart summary showing item count, quantity, and total price.

EDUCATION

B.E., Computer Science & Engineering

KPR Institute of Engineering and Technology, Coimbatore

Sep 2022 – Apr 2026

CGPA: 7.3

Higher Secondary (XII) — PSG Sarvajana Higher Secondary School, Coimbatore

May 2022

Percentage: 68%

CERTIFICATIONS

- Intern Front-End Developer — Sparkout Tech Solutions Coimbatore
- Data Visualization — UC Davis (Coursera)
- IBM Data/Technical Certification — Coursera
- NPTEL (Swayam) — Elite

LANGUAGES

English, Tamil
